## First Circular

Dear colleagues and friends

It is with great pleasure that we invite you all to attend the Fifteenth International Saga Conference 2012 in Aarhus. We are very pleased to organise this event.

In this first circular, we wish to inform you about a few general matters and to direct your attention to our website [www.sagaconference.au.dk](http://www.sagaconference.au.dk)

The theme of the conference is *Sagas and the Use of the Past*. We are planning for seven sessions, namely *Memory and Fiction*, *Textuality and Manuscript Transmission*, *Oral Tradition*, *Genre and Concepts of History*, *Myth and Reality*, *The Christianisation of Denmark and Eastern Scandinavia*, and *The Use of Sagas and Eddas in the 21st Century*.

As something new at the saga conferences, it will be possible to give poster presentations. Posters provide an opportunity to present newly initiated projects related to the conference theme in a form that differs from the way papers are presented in the parallel sessions. We hope many will take this opportunity, and we look forward to initiating this new presentation form (read more on the website).

The pre-prints of the Fifteenth International Saga Conference will not include long papers. Conference participants who present *posters* will have the opportunity to publish up to five pages, whereas participants giving *papers* in the parallel sessions can publish up to two pages. Pre-prints may be ordered in printed form (and will be distributed at the conference) or they may be downloaded from the conference website previous to the conference.

Registration is taken care of by KongresKompagniet. More information will follow in the second circular (August 2011). In the meantime, we encourage you to visit our website often as new information will be posted here.
