Third circular and on-line registration

Dear colleagues and friends,

This is the third circular concerning The 15th International Saga Conference 2012 at Aarhus University. First of all, we wish to thank warmly for the many inspiring paper and poster proposals that we have received. Acceptances were e-mailed the 20th of December 2011. We are overwhelmed by the amount of proposals, and we are planning for six parallel sessions throughout the conference week.

In this third circular we wish to give you some details about registration, accommodation and the Pre-Print Publications. We also wish to direct your attention to the conference website www.sagaconference.au.dk. The website is continuously updated, and we hope that it will provide answers to many of the questions that you may have.

On-line registration

On-line registration is possible from the 1st of February 2012 to the 1st of June 2012. If you register after the 1st of May there is an increased fee. When you wish to register, please go to the conference website and click the registration link guiding you to the on-line form. Payment has to be done when you register. For questions concerning registration, payment and on-line form, please write to saga2012@kongreskompagniet.dk

In earlier circulars we announced that registration is possible until the 1st of July. For practical reasons we have had to change this date, which means that registration is possible until the 1st of June 2012, and not the 1st of July as stated earlier. We apologize for the inconvenience this may cause you.

Deadline for final registration is the 1st of June 2012.
