It is possible to submit abstracts of your paper or poster to the Pre-Print Publication of the 15th International Saga Conference. The abstracts must be submitted electronically to sagaconference@hum.au.dk no later than the 1st of May 2012. **If you do not take advantage of this possibility, the abstract that you have already sent and which has been accepted will be used for the Pre-Print Publication.**

To ensure the best possible editorial process we kindly ask you to follow the specifications below:

For paper presentations, abstracts for the Pre-Print Publication must be no longer than two pages (800 words) and for poster presentations, abstracts for the Pre-Print Publication must be no longer than five pages (2,000 words).
